

Build a bug hotel

Step 1: collect materials.

- Old bricks
- Logs
- Bamboo canes
- Sticks
- Rocks
- Dry grass
- Hollow stems
- Pallets

Step 2: build a base.

Bricks can be used as a sturdy base for pallets.

Step 3: add larger items.

Step 6: secure and cover.

Step 5: repeat for each layer.

Step 4: add small items.
