

Create a story stick

Follow the steps below to create a story stick to remember your journey around a park!

Take care when picking up things that you find in a park, avoid anything that may be sharp and only plants and flowers that have fallen to the ground.

Step 1: go to a park or green space.

Step 2: find a really good stick and get some string.

Step 3: choose a route to walk.

Step 6: tie the things that you collect to the stick.

Step 5: collect interesting things as you walk.

Step 4: start you walk.
