2. Alcohol consumption is not permitted in Council buildings, this includes changing rooms, hallways and at the entrances and exits to our buildings. Failure to comply with this condition will result in the immediate withdrawal of future facilities for your club.
3. Chewing gum is NOT permitted on the 3G or the surrounding viewing areas.

5. Football boots must be removed at the entrance of the building and should not be cleaned within the building. Boots and other excessively muddy clothing should not be washed or shaken off in the building, sinks or showers – this also includes banging dirty boots against the changing room/pavilion walls.
6. Any damage other than normal minor wear will not be accepted and clubs will be liable for any costs incurred.

8. Chelmsford City Council will not accept poor/inadequate standards of behaviour, language and attitude towards other users, the public or our staff. Clubs will be accountable for their visiting teams and (in terms of junior clubs) parents.
9. Clubs hiring our pitches/facilities will be held responsible for the behaviour of their visiting team. All conditions of use apply.
10. All activities that involve participation of children, young people and/or vulnerable adults are approved on the understanding that the Hirer is aware of the Chelmsford City Council Combined Safeguarding Children, Young People and Vulnerable Adults Policy and, in particular the reporting procedures for suspected abuse, set out in the policy. 12. The football clubs/organisations are responsible for the supervision of all persons attending the facility for the purpose of the hire. At any hire where members of the public are admitted, the football club/organisation shall provide an adequate number of stewards who will be present during the matches, training, coaching and tournaments. Any damage caused by an individual or team will result in the club being liable for any damage costs. Failure to do so will result in the immediate termination of the club's use of the facility.

They must also ensure any litter due to their event is cleared and taken away.
16. Litter bins have been provided to take waste produced as a result of normal sports use. Players and spectators must ensure they remove litter from the pitches and side lines and sports pavilion after use. Should the litter bins provided be full, assistance from the attendant on duty should be sought.
