

This list is provided in connection with Chelmsford City Councils, Nature Pledges; Adopt a tree to water, and may be updated from time to time.

Please note locations may be approximate, or for groups of trees - it is recommended that you visit a preferred location/s once before carrying any water to the location/s.

The 'water me' tree tags are being added now to Trees around Chelmsford, so not all trees listed below will have 'adopt' tags yet.

If there is a tree not listed below, that is on Chelmsford City Council land, that you wish to 'adopt' please use the contact us webform on the Love Your Chelmsford website and we may be able to add it.

Many thanks for helping the trees!
