

Signs of summer

Daylight hours are longer and it is getting hotter. Summer weather can be changeable, but it is normally warm and dry in Chelmsford. Why not get out there and try to spot some of the summer signs - but make sure to take your water and be heat and summer aware!

Trees are full of leaves

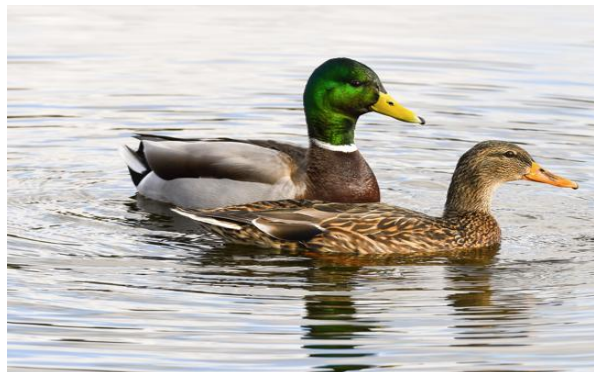

Pollinators are busy

Grasshoppers are hopping

Summer migrating birds are here (like swifts & swallows)

Birds trying to keep cool

**Harvest season starts:
Blackberries**
